

Occupancy Sensor

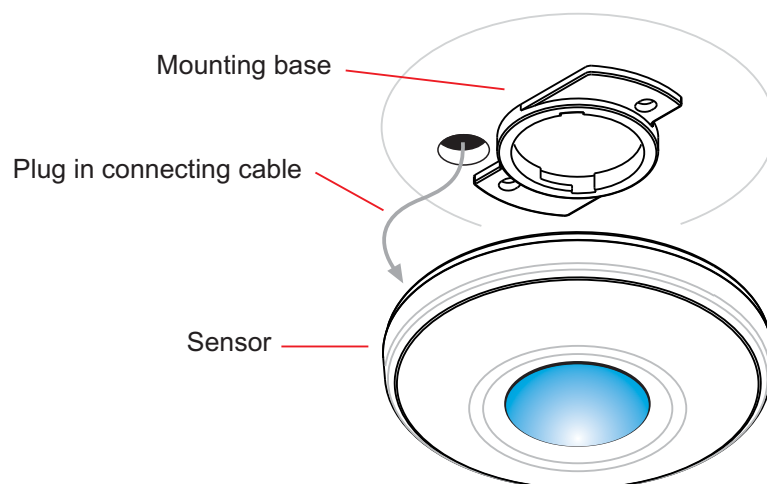

DOC#
ALUXI2Q10

Occupancy sensor ceiling 360 -- AluxI2A11 / 20

Function: Movement sensing in an office or commercial environment.

Configuration: Sensor with plug in cable, ceiling mounted onto a bayonet type insert and turn base.

Technical

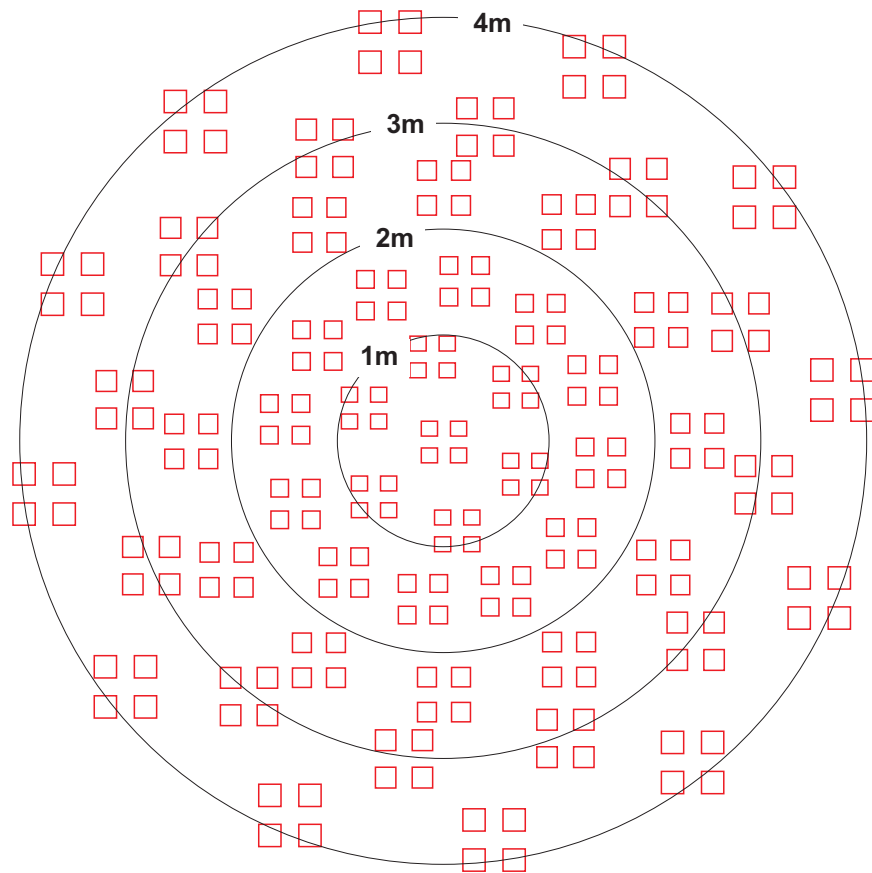

Size	dia: 103mm height: 29mm
Power	12V DC 20mA
Signal	Open collector to gnd. on movement detection.
Coverage	7m diameter from a 2,4m mouning height.

Coverage

Floor pattern (coverage) from 2,4m height.

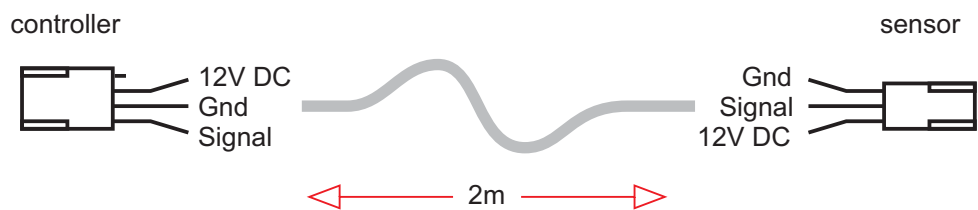

Connecting cables

Alux3KHC0

AluxI2 sensor to AluxM6 or AluxM7 controller (master)

Alux3KHD0

AluxI2 sensor general purpose cable
